Support Transformative Education for Generations To Come:

MAITRIPA COLLEGE

STEP
#1

CHOOSE THE METHOD THAT IS BEST FOR YOU

At the present time Maitripa College is welcoming planned gifts through two simple avenues:

Charitable Bequests are assets bequeathed in a will or trust. A bequest might be a specific amount of money or assets, a percentage of those assets, or the residual (what is left over after heirs and other obligations are paid) from an estate.

Beneficiary Designations are gifts made to a charitable organizations that occur outside of the will, such as an IRA rollover or an insurance policy.

STEP
#2

DESIGNATE USE OF YOUR FUNDS

Your planned gift may be designated in support of an existing fund at Maitripa College such as the **Research Library Fund**, which is used to develop a world-class library of English and Tibetan texts to support research, translation, and education in Buddhist Studies; or the **Student Scholarship Fund**, which is used to ensure that every student who wishes to receive an education at Maitripa can do so, without financial hardship.

Your gift may offer new opportunities by designating funds to a developing project at Maitripa College such as the **Maitripa Endowment Fund**, which will be used to support the development of world-class faculty at the College.

Or you may choose to leave a legacy of priceless benefit for unknown future needs by offering an **Unrestricted Gift** to be used where it is needed most.
